And once you become a Citibank cardmember, you can use your Citibank card at over 9.0 million establishments and get cash anytime at over 64,000 Automated Teller Machines (ATMs) worldwide.

What's more, Citibank offers 24-hour customer service, 7 days a week. So you can always reach us whenever you need us.

While other banks give you the run-around, Citibank believes you should spend your time reading Catch 22. Not living it.

HELPFUL HINTS

1. Always keep your receipts (Registration, Pass/Fail, Withdrawal, etc.) to help resolve potential errors.
2. Be aware of deadline dates (ex. add/drop period, course withdrawal, pass/fail, and pre-registration). The semester calendar is on this page. Failure to comply with appropriate deadlines can result in severe academic or administrative penalties.
3. Drop or withdraw from courses by appropriate deadlines. If you are registered for the course, you are responsible for dropping or withdrawing from it whether you attended the class or not. If the professor crosses your name off the class list, you must still drop or withdraw from the course through the Wheatley Registration Center.
4. Expect a schedule confirmation of courses for which you registered about three weeks into the semester. If you don't receive one, check with the Wheatley Registration Center.
5. Expect a bill for the amount of credits for which you registered. Review the bill carefully. Make sure you are billed for the appropriate number of credits. If you don't receive a bill check with the Bursar's Office.
6. Keep your address up to date in the Office of the Registrar. This is our best means of communication.
7. Keep your schedule books and/or schedule cards. You will need them for Final Exam room assignments.

HOW TO REGISTER

The period from November 30-December 4, 1992 has been set aside for registration for Spring 1993.
Please read the following instructions carefully so that you will understand how to register for next semester.
Pre-Registration Forms will not be accepted after December 4, 1992.

WHERE TO OBTAIN YOUR REGISTRATION FORMS

1. CAS declared majors at major departments.
2. CAS Undeclared majors should go to the University Advising Center, McCormack Building, 3rd floor, Room 625.
3. CPCS registration materials can be picked up at racks next to CPCS student mailboxes at Wheatley Building, 4th floor.
4. Management majors at University Advising Center, McCormack Building, 3rd floor, Room 625.
5. Nursing majors at Science Building, 3rd floor, Room 012.
6. Human Performance and Fitness majors at Science Building, 3rd floor, Room 301-14.
7. Education Majors at Undergraduate Education Office, Wheatley Building, 2nd floor, Room 107.

FORMS MUST BE RETURNED TO THE APPROPRIATE OFFICE BY DECEMBER 4, 1992.

- Continuing students who do not submit registration forms by December 4, 1992 will be assessed a $50 late registration fee. The next available time a continuing student can register for Spring 1993 will be Add/Drop period.

REGISTRATION FORMS

1. Each student is given a form on which to register. This form allows the option of registering for nine courses or seven courses with two alternates.
2. **Free Time Exempt Form** — These forms are used so that students may indicate particular hours during which they do not wish classes to be scheduled. To insure that the information can be interpreted, it is essential that a #2 pencil be used to fill in the slots corresponding to the times and days of the week during which you do not want classes scheduled.
   Use of these forms does not enhance your chances of receiving a section that you request, and could in fact limit your ability to obtain a course because you will not be assigned to sections that meet at hours from which you have exempted yourself. Use of this form could limit your chances of receiving a full schedule.
3. The registration form and time exemption form are read by machine. This means the markings must be completed carefully, i.e., no erasures, stray marks, folds, etc. A #2 pencil must be used.

SEMESTER SCHEDULE BOOKLETS

The schedule booklet is the list of courses that will be offered in the Spring 1993 semester. Your program for the next semester should be chosen from this booklet, along with the course addenda which is a list of changes made to the semester booklet (added sections, cancelled courses, etc.). Please do not select courses from the schedule booklet without checking the addendum as changes may have been made.

The *University Bulletin* is a complete listing of courses offered with descriptions. University requirements are also listed in this book.

STUDENTS WHO OWE FOR A PREVIOUS SEMESTER WILL NOT BE ALLOWED TO REGISTER FOR FUTURE COURSES.

AFTER PAYING STUDENTS MUST APPLY FOR READMISSION. IF NOT PAID BY DEADLINE, STUDENTS MUST WAIT UNTIL FALL 1993 FOR READMISSION.

HOW TO FILL OUT YOUR REGISTRATION FORMS

1. Be sure that all numbers are pencilled neatly and completely. Double check to see that entries are accurate. If a number is incorrect or illegible or not blocked in totally, the entire transaction will be invalidated.
2. Use the 6 digit schedule number assigned to the specific section of the specific time you wish to take the course (see example 1 below).

DEPT.	COURSE / SECTION	SCHEDULE NUMBER	TITLE / MEETING TIMES	BLDG. FLR. RM.	CR	INSTRUCTOR
P—H—I—L—O—S—O—P—H—Y					EXAMPLE 1

	7	146343	MWF 10:30	1-1-054	03	ANDIC

3. When registering for a course with 2 or more parts (lec., lab) be sure to include all parts or you will arbitrarily be assigned the missing portions (see example 2 below).

DEPT.	COURSE / SECTION	SCHEDULE NUMBER	TITLE / MEETING TIMES	BLDG. FLR. RM.	CR	INSTRUCTOR

LAB	1	069119	TU 9:30-12:30	1-1-054	01	GELB

4. **Alternate Choice** — Some choices are listed with the notation "Alternate choice advised". This is used for courses which in the past have been consistently overenrolled. This does not mean you cannot request one of these courses, only that you would be well advised to consider making an alternate choice along with this request. It would also be helpful to use the 2 alternate choices whether or not it is specifically advised as their use enhances a student's possibility of obtaining courses. Alternates must be a different course — not a different section of the same course. For example: Alternate 1 will be considered only if course request 1 cannot be scheduled. Similarly, alternate 2 will be considered only if course request 2 cannot be scheduled. Alternates are not transferable from one choice to another.

IMPORTANT REGISTRATION INFORMATION

Submission of a registration form and acceptance into a course(s) incurs a financial obligation for that course(s).

Your obligation can only be removed if you withdraw from the University prior to the start of the semester.

Your tuition and fees will be reduced if you:
1) **Reduce your course load during the Add/Drop period or**
2) **Completely withdraw from the University prior to the sixth week of the semester.**

Your are financially responsible for any register course(s) remaining on your schedule as of the end of the Add/Drop period, even though you:
1) **Completely withdraw from the University after the sixth week of classes or**
2) **Reduce your course load after the Add/Drop period or**
3) **Receive a grade of "NA" (see below)**

Failure to attend classes does not constitute a withdrawal. A withdrawal is an administrative procedure, and a withdrawal form must be completed by the student and submitted to the Office of the Registrar. If you have not dropped a course by the Add/Drop deadline, not only will you be liable for the tuition but you will also receive one of three grades. One, the grade of NA (not attending) will be given if your instructor takes attendance and submits the grade of NA to the Wheatley Registration Center. Two, if the instructor does not submit an NA list and you do not drop or withdraw from the course you will receive the grade of F. Three, the grade of W if you submit the appropriate course withdrawal form to the Wheatley Registration center by the published deadline.

INSTRUCTIONS

Using #2 pencil, fill in one block, (minimum) for each COURSE or Specific SECTION. Up to three blocks may be needed if specific sections of a course with lecture, lab and/or discussion portions are stipulated. Confine marks to designated positions. Do not overlap marked positions

Blocks eight and nine may be used where the Schedule Booklet indicated "alternate choice advised" because of frequent over-subscription. Otherwise, regular choices can be entered in eight and nine.

If one of these forms cannot describe the particular configuration of your course choices, a second form with additional information may be filed.

Carry completed form to the Appropriate Office.

Registration forms for all College of Management students will be available in the University Advising Center (M/3/625) from 8:30 a.m. to 6:00 p.m., Monday through Thursday and from 8:30 a.m. to 5:00 p.m. on Friday during Advance Registration, November 30-December 4, 1992. Completed registration forms must be returned to the Office of Student Services or the University Advising Center by 5:00 p.m. on Friday, December 4.

A full-time registration for CM students is a maximum of five courses. Registration for more than 15 credits requires permission. Normally such permission is given only when a student's cumulative grade point average is 3.0 or above. To receive permission see an advisor in either the University Advising Center (M/3/625) or in the CM Office of Student Services (M/5/603).

ADVISING

CM students who have over 60 credits and have officially declared a concentration can see an advisor in the CM Office of Student Services (M/5/603) from 8:30 a.m. to 6:00 p.m., Monday through Thursday and from 8:30 a.m to 5:00 p.m. on Friday. (November 30-December 4, 1992).

CM students who have less than 60 credits and have not officially declared a concentration can see an advisor in the University Advising Center (M/3/625) from 8:30 a.m. to 6:00 p.m., Monday through Friday and from 8:30 a.m. to 5:00 p.m. on Friday. (November 30-December 4, 1992).

COURSE SELECTION

Degree requirements are available in both the CM Office of Student Services (M/5/603) and the University Advising Center (M/3/625). Students in the College of Management are expected to complete general education requirements as well as other 100 and 200 level required course work during the first two years of study. All 300 and 400 level CM courses, including Management Core and Concentration requirements, may only be taken after the student attains junior (earned 60 credits) or senior (earned 90 credits) standing and has met all course prerequisites.

INCOMPLETE COURSES

Students who have received an incomplete grade in a course through a prior arrangement with an instructor must go to the original instructor, or in his/her absence to the Department Chair, to make arrangements to complete the course. **Do not reregister for the course.**

PASS/FAIL REGULATIONS

Students in the College of Management may only take elective courses on a pass/fail basis. Required courses in general education, the management foundation, management core and concentration may not be taken pass/fail.

NON-MANAGEMENT STUDENTS IN CM COURSES

Non-management students may only register for AF 210, Financial Accounting, and AF 211, Managerial Accounting, MS 110 Introduction to Computers and Information Systems. Pre-registration in all other College of Management courses is closed to non-management students.

During the Add/Drop period, non-College of Management students are invited to enroll in any other CM courses for which they have met course prerequisites. At least sixty (60) credit hours are required for all 300 and 400 level CM courses. Up to twelve (12) credit hours may be taken in the college as a non-CM student. Contact CM's Office of Student Services for information, prerequisites, and procedures (M/5/603, 287-7760).

HUMAN PERFORMANCE AND FITNESS — SPRING 1993

REGISTRATION PROCEDURES AND INFORMATION

Registration forms for all Human Performance and Fitness majors will be available in the Human Performance and Fitness office (Science Building, 3rd floor, Room 301-14) from 8:30 a.m. to 4:30 p.m., Monday through Friday during Advance Registration, November 30-December 4, 1992.

ADVISING

Faculty will be available in the Human Performance and Fitness office to assist students with course selection during Advance Registration. It is advisable to call and make an appointment with a faculty member (287-7480).

Students who have completed a semester and have declared a concentration in Human Performance and Fitness should make an appointment to see their faculty advisor. Faculty advisor assignments will be posted outside the main office.

All Human Performance and Fitness majors must fill out a major registration card each semester. Each faculty advisor will have these cards or they may be picked up in the secretary's office. Please check to see that your name is on the department list of registered majors.

COURSE SELECTION

Degree requirements are available in the Human Performance and Fitness office. Human Performance and Fitness majors are expected to complete the core curriculum as set forth by the College of Arts and Sciences and are required to demonstrate proficiency in writing as outlined by the College of Arts and Sciences. Further information about the Writing Proficiency Requirement can be obtained from the College's Core Curriculum Office, M/4/603.

DECLARED MAJORS

Registration forms will be available within major departments and must be returned to the Wheatley Registration Center by 5:00 p.m. on Friday, December 4, 1992.

Records of students whose filings do not meet the above deadlines will be reviewed **after** those who do, and such students may **not** be listed in the commencement program and/or may experience other delays.

If a student does not complete all requirements by the declared graduation date, then it is the student's responsibility to submit an updated declaration form to the Office of the Registrar to be considered for a new graduation date.

COLLEGE OF ARTS AND SCIENCES GRADUATION REQUIREMENTS

The undergraduate curriculum in the College of Arts and Sciences is divided into three parts: preparation in general education, a major field of study, and electives to complement the breadth and depth of a liberal education. To assure that all students who are graduated from the College of Arts and Sciences have completed a rigorous and coherent course of study, the college has established a series of seven requirements for the Bachelor of Arts (BA) degree. Students in certain fields may receive a Bachelor of Science (BS) degree by completing an eighth requirement.

1. **FRESHMAN WRITING REQUIREMENT**
   CAS students must take a year of Freshman composition (English 101 and English 102) or gain a waiver. Freshman Composition teaches the fundamentals of expository writing and the presentation of research. Expository writing skills are necessary for term papers and written presentation of ideas in all CAS disciplines. Students who place into English 010 on the English Placement Test must complete the composition sequence Eng 010, Eng 101, Eng 102. Transfer students must complete English 102 or gain a waiver regardless of course credit for freshman composition from other institutions.

2. **THE CORE REQUIREMENT AND**
3. **THE DISTRIBUTION REQUIREMENT**
   To assure that they develop a broad familiarity with the range of human knowledge, CAS students are required to take twelve courses distributed among the following six or seven broadly defined areas:
   I. **The Arts** approach the world through an awareness and use of forms of creative expression such as music, drama, literature, paintings, sculpture and architecture.
   II. **Historical and Cultural Studies** concern the reconstruction and interpretation of the human past and seek to understand both literate and non-literate cultures.
   III. **Philosophical and Humanistic Studies** focus on the analysis of concepts and values, social, ethical, religious and cognitive, and interpret the world through the critical application of such concepts and values to experience.
   IV. **Social and Behavioral Sciences** such as anthropology, economics, psychology, politics, and sociology analyze the world in terms of structures and processes of behavior, of social interaction, and of institutions.
   V. **Natural Sciences** seek an experimental understanding and application of the laws that explain natural phenomena and approach the human world through the study of its natural elements, structures, and processes.
   VI. **Mathematics and Computer Sciences** exhibit self-enclosed symbolic systems whose analytic pleasure and practical uses extend our sense of the nature and processes of human thought and the management of reality.
   VII. **Foreign Languages** provide an understanding of human thought, feeling and culture through a study of the structures, meaning, functions, and development of speech; the study of a language not one's own improves mastery of one's own language and contributes eventually to the understanding of another culture.

For most students the twelve courses will include 5 C Core courses and 7 Distribution courses. Some students, however, are not required to take C courses and will take twelve distribution courses. See the outline below to find out which applies to you.

Core Courses: Students required to take 5 C courses must take three at the 100 level and two at the 200 level.

Core courses are designated by a C in the course number (e.g., Philosophy C108) and are commonly referred-to as C courses. Core courses are specifically designed to introduce students to broad conceptions of knowledge and the skills of writing, critical thinking and quantitative reasoning that are necessary for understanding them. They are introductory in character, but not designed as preparation for a specific discipline or as the basic course in a departmental major. C courses are limited in enrollment in order to provide more intense instruction in academic skills. NO MORE THAN FIVE C COURSES MAY BE COUNTED TOWARD GRADUATION CREDIT.

Distribution Courses: With a few exceptions, all 100-level and 200-level CAS courses of 3 or more credits are assigned to one of the seven core/distribution areas and count toward fulfilling the requirement. These courses contribute to general education through their breadth of knowledge in one of the following ways: they survey a discipline, they offer an interdisciplinary approach to the subject matter, or they use a relatively narrowly defined topic to investigate major themes in an area of study.

The twelve Core/Distribution courses taken as a whole must be distributed in six or seven of the areas. As many as three courses may be counted in only ONE area, with a maximum of two in the other areas. Students beginning a foreign language at the 101 level must pass two semesters of that language in order for them to count in the distribution. It is possible to waive foreign language and mathematics distribution requirements; see section on "Waivers."

Check the entry dates below to find out which version of the Core/Distribution applies to you:

Students who matriculated Fall 88 and thereafter	FRESHMEN OR TRANSFERS WITH 29 OR FEWER CREDITS must include five C courses among the 12 courses: three C100-level courses and two C200-level courses. TRANSFER STUDENTS who enter with 30+ credits are required to fill the distribution requirement. They are not required to take C courses. If they do, they are subject to the limit of three C100 courses and two C200 courses.
Students who matriculated from Fall 85 through Spring 88	ALL STUDENTS, TRANSFER AND FRESHMEN, are required to include 5 C courses among the 12 distribution courses. Transfer courses assigned to the Arts, Historical/Cultural, Philosophical/Humanistic areas count toward fulfilling the c course requirement. To ascertain which and how many transfer courses were assigned as C core courses students should refer to the Transfer Course Evaluation they received from the Admissions Office when they were accepted or to an "internal" transcript. Upon completion of the C course requirement no more C courses will count toward the 120 credits required for graduation.
Students who matriculated before Fall 85	These students should see an academic advisor to determine core curriculum requirements.

4. THE WRITING PROFICIENCY REQUIREMENT

Both the overall design of the Core Curriculum and the materials and methods of individual core C courses assist students in acquiring critical skills. Foremost among these is the ability to present ideas clearly, correctly and persuasively in English prose. For this reason, the College requires students to demonstration proficiency in writing by either passing a proficiency examination or submitting a satisfactory portfolio of papers before the beginning of the junior year. This requirement holds for all students who entered CAS as freshmen in September 1978 or thereafter and for transfer students who entered CAS in January 1979 or thereafter. Students absent from the College for two or more years and readmitted since Spring 1985 must also pass the requirement. Further information about the Writing Proficiency Requirement is available in the College's Core Curriculum Office (M/4/603).

The Writing Proficiency Examination: The examination is given three times a year (in January, June, and August). Dates are posted in the Core Curriculum Office and in the Mass Media. A student should sign up one month in advance of the scheduled date in order to prepare the assigned materials, which should be picked up when the student signs up for the exam. in order to pass the examination, the student must write an acceptable essay based on a set of readings and a question designed to elicit evidence of thorough understanding of the readings, as well as the ability to synthesize material, use evidence, draw inferences, and construct a well-organized response in good English.

NOTE that the Writing Proficiency Exam is NOT THE SAME AS THE ENGLISH PLACEMENT TEST, which all students take upon entrance to the College.

The Portfolio: The Portfolio is an alternative method of demonstrating writing proficiency. It may be submitted at any of the scheduled exam times and in October and March. It consists of four papers, each at least five typewritten pages in length. Three of these are expository papers, written for courses, and based on reading materials. The instructor's assignment and verification of originality must be included for each of the three course papers. The fourth essay is new one, written on a topic and a series of readings distributed by the Core Curriculum Office.

Inter D 299: Under certain (very specific) conditions, a student who has had repeated difficulties with the Writing Proficiency Exam or Portfolio may take and pass Inter D 299 as a way of satisfying the requirement. Inter D 299 (Proficiency in Analytic Writing) is an intensive writing course in which students analyze and write essays about texts drawn form the areas of natural and social science, and the arts and humanities.

At the end of the course, students submit a portfolio consisting of all the essays completed in the course, as well as an essay in response to the same assignment that all the students submitting a portfolio are addressing. The entire portfolio developed within this course is submitted to a panel of outside readers for assessment, to be judged by the same criteria as are the regular portfolios and exam essays. For more detailed information about Inter D 299, please consult the listing in this bulletin under "Interdisciplinary Courses."

Failure to take and pass the examination or portfolio. Students should ordinarily have met the writing proficiency requirement by the time they have reached 68 credits; any students who have more than 68 credits will receive written notification of their obligation to meet the requirement. Transfer students with more than 68 credits must satisfy the requirement within one semester of their matriculation. Any student who acquires 90 or more credits without having passed the writing proficiency requirement may not continue to make normal progress toward the degree until the requirement has been satisfied. The student will be obliged to plan subsequent study with a team composed of a faculty member from his/her department and a writing skills specialist; a learning contract will be drawn up requiring the student to take AS 044, Inter D 299, or another appropriate course for assistance in meeting the standards for writing proficiency. Ordinarily, a student will carry no more than 6 credits during the semester when the contract is in effect; if at the end of the contract semester the requirement still has not been met, the student will not be permitted to register for further courses until the writing proficiency requirement has been passed, with the exception of AS 044 or Inter D 299, at the instructor's discretion.

5. THE TOTAL CREDIT REQUIREMENT

CAS students must acquire a minimum of 120 credits to graduate. A maximum of 4 of the 120 credits may be earned in Academic Skills courses of which only 2 credits may be from Math Skills courses. Credits earned in ESL courses, other than ESL 100D, do not count toward graduation. At least 30 of the 120 credits required for graduation must be earned from the University of Massachusetts-Boston.

6. THE MAJOR REQUIREMENT

CAS Students must complete the requirements of one of the majors offered by the college. Major requirements are listed by department in the University Bulletin. Students also have the option of designing an individual major under the supervision of a faculty member. Information on the Individual Major is available from Academic Support and Advising.

7. THE GRADE POINT AVERAGE REQUIREMENT

Students must achieve a minimum cumulative grade point average of 2.0 in order to graduate. Students who do not maintain the minimum cumulative average required for retention are subject to warning, probation, suspension, or dismissal. See the University Bulletin for details. Some major programs also require that students maintain a 2.0 in courses taken toward the major. Consult major departments for more information.

8. THE BACHELOR OF SCIENCE REQUIREMENTS (OPTIONAL)

CAS students majoring in biology, chemistry, earth science, mathematics and computer science, physics or psychology have the option of earning a Bachelor of Science degree. To qualify for a BS degree a student must, in addition to fulfilling the seven preceding requirements, complete six semester courses outside the major discipline from other sciences. Specific BS degree requirements for each major are listed in the University Bulletin under the major department.

WAIVERS

The Freshman writing Requirement may be waived. Students should inquire at the Department of English.

Students who present evidence through placement scores or transcripts of intermediate proficiency (equivalent to the fourth semester of college work) in a foreign language will receive a waiver for two Foreign Language courses toward the distribution requirement. Native speakers of languages other than English are encouraged to apply for this waiver. Students granted a waiver in a Foreign Language need take only ten courses toward the distribution requirement. Students receiving a BS degree need only show evidence of elementary proficiency in order to waive these courses.

Students who present evidence through placement scores or transcripts of work in Mathematics equivalent to college calculus (Math 141) will receive a waiver for two Mathematics courses toward the distribution requirement. Students granted a waiver in Mathematics need take only 10 courses toward the distribution requirement.

Students who receive waivers in both Foreign Language and Mathematics need take only 8 courses in the distribution requirement.

There are no waivers for the Writing Proficiency Requirement.

COLLEGE OF ARTS AND SCIENCES COURSE LOAD POLICY

Students may enroll for no more than fifteen (15) credits. After the first semester, however, students may take additional course credits under the following conditions:

A. The student's overall grade point average is 3.0 (or above) or the grade point average for the previous full-time semester is 3.5 or above.

B. Written permission is secured from the Associate/Assistant Dean for Academic Studies.

INCOMPLETE POLICY

The grade Incomplete (INC) is reported only where a portion of the assigned or required class work, or the final examination, has not been completed because of serious illness, extreme personal circumstances, or scholarly reasons at the request of the instructor. If the student's record is such that s/he would fail the course regardless of the missing work s/he fails.

Permission of the instructor must be obtained and the **Form for Grade Incomplete** must be completed. These forms can be obtained from the appropriate Departmental offices.

A student receiving the grade of "Incomplete" is allowed one year in which to complete the course. The new grade must be submitted to the Registrar's Office by the grading deadline for that semester, i.e., by the end of the **next fall** semester for fall incompletes. The grade for any course not completed by this deadline will be converted to the grade of "F," and the student will not be allowed to complete the course.

N/A GRADE

The N/A grade may be placed on a student's transcript if the student has:

- registered for a course, and
- did not attend the course during the Add/Drop period, and failed to drop the course by the published Add/Drop deadline and if faculty take attendance and submit N/A grade roster by designated deadline.

The N/A grade does not affect a student's grade point average. The student is, however, responsible for all tuition and fees for the N/A course. The only condition in which the N/A grade may be removed from a student's transcript is if the student specifically withdraws from the course on or before the published withdrawal deadline.

Faculty who take attendance may submit an N/A by the designated deadline usually during the first month of the semester.

PASS/FAIL OPTION

A student may elect one course each semester, up to a maximum of eight in his or her work at the University, to be taken on a Pass/Fail basis. The grade of "P" will be given for a successfully completed Pass/Fail course; it will be included in credit toward graduation, but not in the cumulative quality point average. The grade "F" will count as a failure. To take a course on a Pass/Fail basis, the student must complete a Pass/Fail option card for the course, available at the Wheatley Registration Center, at the time announced during each semester. A Pass/Fail request cannot be withdrawn after the deadline. Note: each student should carefully check the requirements of his or her college and major department, or professional program, before exercising the Pass/Fail option.

READMISSION

As of October 16, 1989, students applying for readmission to the University will be charged a $5.00 non-refundable application fee. Apply through the Office of the Registrar before November 1 for the Spring Semester and before June 1 for the Fall Semester.

CLASS ATTENDANCE

Students whose names appear on a course roster may be asked to drop the course or be added to the end of the waiting list at the end of the second class session if they have not attended either class or have not communicated their intention of attending the class to the instructor or the department chair in writing. In the case of a class that meets only once a week, failure to attend or to communicate the intention to attend either to the instructor or department chair by the beginning of the second meeting will result in the same action.

MANAGEMENT MINOR FOR CAS STUDENTS

The College sponsors a minor in management in collaboration with the College of Management. Prerequisites include Econ 101, Econ 102, Math 110, Statistics, the completion of 45 credits, a grade point average of at least 2.75 and completion of prerequisite courses with a B- or better. More information and application forms are available in the CAS Office of Academic Support Programs. Application Deadline is March 1 for the Fall Semester and November 1 for the Spring Semester.

RESIDENCY RECLASSIFICATION

Appeal of Out-of-State Residency Billing Status must be filed no later than the last day of the Add/Drop Period. Appeals must be filed on the appropriate form with the office of the Associate Dean of Enrollment Services, located in the Office of Enrollment Services, 2nd floor, Quinn Administration Building.

COURSE REPETITION POLICY

The Faculty Council and the Chancellor have approved a new course repetition policy. This policy was effective Summer, 1988.

These are the highlights of the policy that you should know about:

- you may repeat any course regardless of the grade you earned in the course (previously you could repeat a course only if you got a grade of "F").
- you may repeat a course only once (previously you could repeat a course as many times as it took to remove a grade of "F").
- you may choose to exercise the option of repeating courses only four times in your undergraduate career.
- if you choose to repeat a course, both grades for the course will be posted on your transcript but only the second grade will be counted toward your G.P.A.

Do you have any questions about this new policy? We bet you do! Here are some of the most commonly asked questions we've encountered so far. If you have any questions we don't answer below, call the Office of the Registrar at 287-6200 or stop by the office located in the Administration Building, 1st Floor.

Q: I've taken Spanish 101 and 102. Can I repeat Spanish 101 for a better grade?
A: No. Courses that are offered in sequence cannot be repeated out of sequence.

Q: I've withdrawn from a course. If I retake this course will it count as one of the four times I am allowed to repeat courses?
A: No.

Q: I've already repeated four courses in my career at UMass/Boston. I have to repeat another course to get into my major. What can I do?
A: Exceptions to the new course repetition policy can only be granted by the *Committee of the college that is offering the course you want to repeat.* You must check with that college's committee.

Q: What happens if I repeat a fifth course?
A: That course will not appear on your transcript. Nor will you receive credit for it toward your graduation.

Q: Should I inform someone if I want to repeat a course?
A: Definitely! You should always check with your advisor before repeating a course. In addition, **after** you repeat the course, you must fill out a Course Repeat Card in the Office of the Registrar, Administration Building, 1st Floor.

HELPFUL HINTS

1. Always keep your receipts (registration, pass/fail, withdrawal, etc) to help resolve potential errors.

2. Be aware of deadline dates (ex. add/drop period, course withdrawal, pass/fail and pre-registration). The semester calendar is on the first page. Failure to comply with appropriate deadlines can result in severe academic or administrative penalties.

3. Drop or withdraw from courses by the appropriate deadlines. If you are registered for the course, you are responsible for dropping or withdrawing from it whether you attend the class or not. If the professor crosses your name off the class list, you must still drop or withdraw from the course through the Wheatley Registration Center.

4. Expect a schedule confirmation of courses for which you registered about three weeks into the semester. If you don't receive one, check with the Wheatley Registration Center.

5. Expect a bill for the amount of credits for which you registered. Review the bill carefully. Make sure you are billed for the appropriate number of credits. If you do not receive a bill check with the Bursar's Office.

6. Keep your address up to date in the Office of the Registrar. This is our best means of communication.

7. Keep your schedule books and/or schedule confirmation. You will need the course and section number for Final Exam period and room assignments.

ADD/DROP PERIOD INSTRUCTIONS

DATES	
Add/Drop Period	February 1- 5, 1993
Return forms to Wheatley Registration Center February 1-5, 1993 Monday-Thursday 8:30a.m.-8:00p.m., Friday, 8:30a.m.-5:00p.m.	

INSTRUCTIONS FOR ADDING AND DROPPING COURSES DURING THE ADD/DROP PERIOD, FEBRUARY 1-5, 1993	
Pick up the Add/Drop Form in the Wheatley Registration Center.	
Add	You should attend the course you wish to be admitted to and speak to the instructor. If the instructor is willing to admit you to the course, have him/her sign the Add/Drop Form in the Add section in the area marked "Approval." Fill out the schedule number and the name of the course and return the form to the Registration Center (Wheatley Hall, 1st floor) by February 5.
Drop	The procedure is the same as adding a course. The instructor whose course you are dropping must sign in the Drop section under "Approval." Fill out the schedule number and the name of the course and return the form to the Registration Center (Wheatley Hall, 1st floor) by February 5. Following this procedure will prevent you from being charged for the course and receiving a grade of "F.
ALL FORMS MUST BE RETURNED TO THE REGISTRATION CENTER (WHEATLEY HALL) WITH ALL THE NECESSARY SIGNATURES BY FEBRUARY 5 TO COMPLETE YOUR CHANGE IN REGISTRATION.	

IMPORTANT REMINDERS
You will be given a two part Add/Drop Form. The bottom copy will be your receipt for all Add/Drop transactions. Please keep your copy in case there are any discrepancies with your final schedule.
Remember that any course that you registered for during the November 30-December 4, 1992 registration period or any course added during the Add/Drop period is your responsibility. If you do not intend to take a course you must drop it by February 5; otherwise, you will have to officially withdraw from the course by November 6 to receive a "W" in which case you will be charged the complete tuition for the course. Failure to complete either of these steps will result in the grade of "F." Please follow the deadlines and keep a receipt of your transactions. You are financially accountable for all courses not dropped by February 5.

CAS Core Curriculum/Distribution Requirement

Students entering the College of Arts and Sciences with **more than** 30 credits are not required to take any Core course (C courses). They need only meet the distribution requirement of 12 courses in at least six of the seven distribution areas. Prior course work, evaluated by Admissions, may meet some or all of the distribution requirement. If prior work does not meet the full requirement students will complete it with UMB 100 or 200 level courses assigned to a distribution area. While **not required** to take "C Core" courses, transfer students may take three and only three C100 level courses and two and only two C200 level courses. C courses taken beyond this limit will not count for graduation credit.

Distribution Areas

A	H/C	P/H	S	N	M	F

Directions: Enter courses in boxes above with up to three in only one Area. Note elementary foreign language (101) must be followed by second semester (102) to satisfy distribution in area F.

DISTRIBUTION COURSES BY DEPARTMENT

Each distribution area lists departments that offer specific courses in that area. To determine which courses, please consult the department offerings in the schedule book or catalogue, where the distribution area is indicated for each course. For example, if you are interested in a Women's Studies course in the Arts area, see the Women's Studies section in the schedule book and find the course(s) assigned to the Arts area (A). Note: many departments offer courses in more than one distribution area.

SPECIAL NOTES ON CAS CORE COURSES
SPRING 1993

Ongoing constraints on the university budget prevent the College of Arts and Sciences from offering enough Core "C" courses to meet anticipated student demand. Students are advised of the following guidelines for registering in "C" courses during this academic year:

1. Seniors who expect to complete all graduation requirements by or before June 1993 but who have not yet taken all five required "C" courses may receive a waiver from any remaining "C" course requirements **if they have successfully completed the Writing Proficiency Examination**. This exemption does NOT reduce the total requirement of 12 courses in the area distribution; it does permit students to satisfy any outstanding distribution requirements without "C" courses. Seniors who qualify for this exemption should apply to the CAS Core Curriculum Office, McCormack Building , 4th Floor, Room 603 for the waiver; those qualifying seniors who do not apply for the waiver may be cut from class rosters if sections are oversubscribed.

2. Students should not register for more than two "C" courses in any one semester.

3. College policy is that NO STUDENT MAY RECEIVE CREDIT FOR MORE THAN **THREE** C100-LEVEL AND **TWO** C200-LEVEL COURSES (FOR A TOTAL OF **FIVE** "C" COURSES). This policy will be strictly observed.

4. Please refer to the front of this schedule booklet for detailed information on the specific Core requirements that apply to the year of your matriculation.

THE NEXT WRITING PROFICIENCY EXAMINATION FOR COLLEGE OF ARTS AND SCIENCES AND COLLEGE OF NURSING

WILL BE ON TUESDAY, JANUARY 5, 1993.

Registration and Reading Materials will be available in the CAS Core Curriculum Office, M/4/603, beginning December 7, 1992.

Brain power. Now available on the installment plan.

Here's a way to learn faster and work smarter without putting a lot of cash down. It's called the Apple Computer Loan.

Right now, qualifying students, parents borrowing on behalf of students, and faculty and staff members with an annual income of at least $15,000, can purchase an Apple® Macintosh® computer system using a special financing plan set up just for you.

Apply to borrow from $1,500 to $10,000 for a Macintosh computer, other Apple products—including the Apple*Care*® extended service plan, and up to three software packages.

If you're a student, you'll be able to defer principal payments for up to 48 months while in school, making interest-only payments until 30 days after you graduate or leave school. Interest rates are surprisingly low, and you can take up to eight years to repay.*

So stop by today and fill out a loan application.

Because this is one way to afford a Macintosh, even if you can't afford a Macintosh.

** The interest rate is the average of the higher of the 30-day or 90-day commercial paper rates as reported in the Wall Street Journal, plus a spread of 4.35% After June 30, 1992, the spread may increase if program costs increase, but will not exceed 5 6%, existing borrowers would be notified at least 30 days in advance The loan may be prepaid at any time without penalty For the month of October, 1991, the rate was 10 068%, with an annual percentage rate of 11 4035% This rate would result in monthly payments of $18 81 for every $1,000 borrowed The total finance charge for each $1,000 borrowed would be $442 87 If you elect to defer principal payments for four years, the APR on your loan will be 11 0327% Your monthly payments during the deferment period will be $8 28, and your first monthly payment of principal and interest will be $29 67 per every $1,000 borrowed The total finance charge on every $1,000 you borrow will be $647 24 The interest rate is subject to increase after you have received the loan Each applicant pays a $20 00 non-refundable application fee Approved borrowers will be charged a 4% loan origination fee Loan applications after June 30, 1992, may be subject to a higher loan origination fee The loan origination fee will be added to the requested loan amount and repaid over the life of the loan*

GRADUATE ADMISSIONS AND RECORDS

Graduate Student Registration Information

ADVANCE REGISTRATION

November 30-December 4, 1992

All continuing matriculated graduate students are eligible to advance register. Matriculated graduate students pick up registration forms from their Graduate Program Director or Program Advisor. After the form is completed and signed by the Program Director/Advisor, it should be submitted to Graduate Admissions and Records. Continuing students who do not register during this period will be charged the $50.00 late registration fee.

Non-degree graduate students are not eligible to register until February 1, 1993.

ADD/DROP PERIOD

January 28-February 5, 1993

Registration for new matriculated students begins on September 2. Continuing students who did not advance register or who wish to change their schedule should do so during this period. Registration forms will be available in the Graduate Program Director's/Advisor's Office. Completed forms for continuing students and new matriculated students should be submitted to Graduate Admissions and Records.

NON-DEGREE STUDENT REGISTRATION

February 1-5, 1993

New non-degree students should complete a Graduate Non-Degree Student Registration Form which is available from the Graduate Program Director/Advisor. The completed form must be submitted to the Office of Graduate Admissions and Records with a check for the full amount of tuition and fees by February 5, 1993. Continuing non-degree students should complete an add/drop form which should be submitted to Graduate Admissions and Records.

IMPORTANT REMINDERS

- Be sure to retain the bottom copy of your registration form.

- If you owe money for a previous semester or have not turned in the Student Health History and Immunization Report, you will not be allowed to register during add/drop unless your obligation is cleared by Friday, February 5, 1993.

- Continuing matriculated students who were not enrolled in courses during the Fall semester 1992 will not be allowed to register if the program fee was not paid by November 12, 1992. Students who did not pay the program fee by November 12 will be required to submit a readmission form with the approval signature of the Graduate Program Director/Advisor and the required fees by January 4, 1993.

- When you submit the registration form you incur a financial obligation to the University. Your financial obligation will be reduced if you reduce your course load by Feburary 5, 1993 or if you withdraw from the University by the fifth week of the semester. The reduction schedule is published in the *Graduate Studies Bulletin*. **FAILURE TO ATTEND CLASSES DOES NOT REMOVE YOUR FINANCIAL OBLIGATION.**

EXTENDED DAY PROGRAM
SPRING 1993

The Schedule which appears in the following pages is for the convenience of students taking courses in what we call our "extended day" — the late afternoon and evening hours. The majority of these courses begin at 6:00 p.m. (18:00 hours) and meet once a week for two and one half hours Monday through Thursday evenings; the rest meet twice a week for one hour and fifteen minutes.

In these pages we have also listed the undergraduate courses according to the days of the week on which they meet.

PROGRAMS AVAILABLE IN THE EVENING

Many of the University's more than sixty degree programs are represented by extended day courses. In some programs, students can complete all degree requirements through evening study alone — that is, by taking courses scheduled after 5:00 p.m. These programs are:

UNDERGRADUATE		GRADUATE	
Computer Science	Management	American Civilization	Human Services
Economics	Political Science	Bilingual/ESL Studies	Instructional Media
English	Psychology	Business Administration	Public Affairs
History	Sociology	Chemistry	Applied Sociology
		Computer Science	School Psychology

DIVISION OF CONTINUING EDUCATION

Evening Courses Off-Campus • Saturday Courses On-Campus

The University courses which appear on the following pages are offered during the evening at off-campus locations and on Saturday mornings at the Harbor Campus. Most classes meet once a week for two and one-half hours. These courses are open to all UMass/Boston students and are applicable to bachelor's degree requirements. Students (including financial aid recipients) are free to combine day, evening on-campus, evening off-campus, and Saturday classes during any semester.

REGISTRATION

To register for an off-campus or Saturday course, you must fill out a continuing education registration form at the Office of the Division of Continuing Education (Wheatley 2/203). The office is open from 8:30 a.m. to 6:00 p.m., Monday through Thursday and from 9:00 a.m. to 4:00 p.m. on Friday. Continuing Education course fees are computed at the rate of $95 per undergraduate credit, and $110 per graduate credit, and are separate from on-campus tuition charges. Students registering for off-campus or Saturday classes also pay $25 in registration and service fees but do not pay health, athletics, or activities fees. Non-matriculated students are required to pay a $3 transcript fee. Full payment is required at the time of registration. The Division of Continuing Education accepts MasterCard, VISA, and Discover for the payment of off-campus and Saturday course fees.

ACADEMIC CALENDAR

Please note that off-campus and Saturday classes begin later than day or evening classes on campus and follow a different academic calendar.

DOC 401

Wild Should Wild Remain.

"Man always kills the thing he loves, and so we the pioneers have killed our wilderness. Some say we had to. Be that as it may, I am glad I shall never be young without wild country to be young in."

ALDO LEOPOLD

"We need wilderness preserved—as much of it as is still left, and as many kinds . . . It is important to us . . . simply because it is there—important, that is, simply as an idea."

WALLACE STEGNER

"The love of wilderness is more than a hunger for what is always beyond reach. It is also an expression of loyalty to the earth, (the earth which bore us and sustains us), the only home we shall ever know, the only paradise we ever need—if we had the eyes to see."

EDWARD ABBEY

"The clearest way into the Universe is through a forest wilderness."

JOHN MUIR
